

# Help us Plan for the Cameron County Dark Sky Park

**Thursday, June 6, 2024**

**5:30-7:00 p.m.**

Cameron County  
Chamber of Commerce  
and Artisan Center at

34 E 4th St, in downtown Emporium

The Lumber Heritage Region (LHR) and Cameron County are hosting a public meeting to gather ideas about how best to enhance the County's reclaimed landfill property off May Hollow Road for use as a Dark Sky Park.

One of Cameron County's most attractive assets is its dark sky, which offers exceptional stargazing, perfect for stargazing and appreciating the natural beauty, the sights, and sounds of the dark night.
